

Platform for Wealth Management Institutions

Redefining the future of **wealth management**

Wealthinitiative is a platform for non-bankable assets (real estate, art, passion investments* and shares in private companies) for Wealth Management Institutions with two Key Offerings:

* Yachts/Aircraft/Fine Wine/Classic cars/Vintage Watches/Jewellery/Stamps/Coins

1 Marketplace

Where clients through their relationship managers can easily buy and sell their non-bankable assets among themselves.

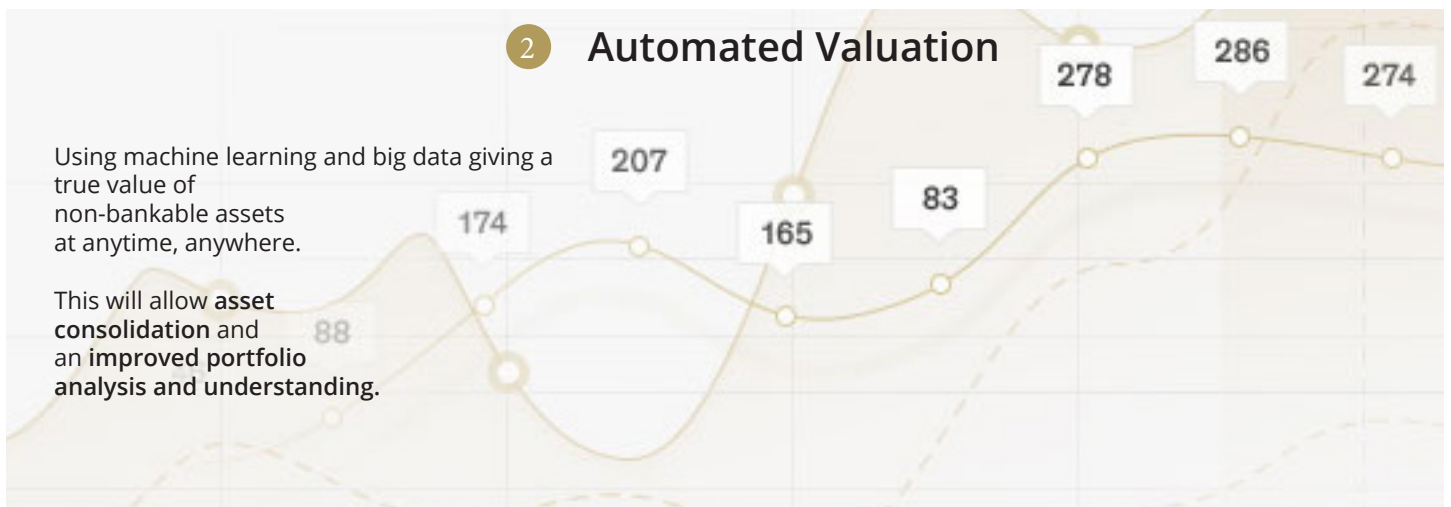

- It is first an internal matchmaking platform creating synergies among the clients within one institution/bank
- The next step is to connect banks member of the Wealthinitiative community creating a **non-bankable asset exchange**

2 Automated Valuation

Using machine learning and big data giving a true value of non-bankable assets at anytime, anywhere.

This will allow asset consolidation and an improved portfolio analysis and understanding.
