TLC Online

Learning Pack Content & Costs

When you become a TLC Online member you will have access to the TLC Online platform where you can manage your digital profile and interact with our other members. But most importantly it provides you with the opportunity to purchase one or more of our learning packs, listed below, providing one year of unlimited, 24x7 access to upskill, train, test and certify yourself in the specialist areas that matter to you and your organisation. Migration and Upgrade Learning Packs are reserved to Temenos Certified Services Partners and can be bought only after the approval of the relevant partner manager. This document outlines what each pack contains.

This document describes new certification focused Learning Pathways that are under construction in TLC Online. These will be available by October. Please see TLC-Online Pathways Brochure for details.

TLC Online Premium Pack

Courses Available: 700+

All of our specialist packs offer great value and allow our members to focus on the training that matters to them most.

However, many of our members still prefer to opt for our Premium membership. Premium membership still offers exceptional value, providing access to all of the training tools, materials, courses and exams contained in the packs already listed. It also provides access to other courses as yet unavailable through any of our other learning packs.

If you want the most versatile, unlimited and unrestricted access to Temenos Online training and certification we have to offer, then a TLC Premium Membership could be right for you.
