**temenos**

Everyone's Banking Platform

Customers are Temenos' most valuable assets. Our goal is to support your success with our market leading solutions. By enabling you to promote your accomplishments among key industry players, the Temenos Ambassador Program provides you with a chance to leverage this success.

### Key Benefits

- Positive exposure for your organisation
- Demonstrate thought leadership
- Expand your network
- Accrue valuable rewards points

### Join the Temenos Ambassador Program to showcase your success story

Participating in the Temenos Ambassador Program benefits you and your company by:

- Generating positive exposure for your organisation, your people, and your products and services.
- Sharing your experience.
- Showing how your use of technology provides better business solutions and improved customer service.
- Offering you networking opportunities that allow you to gather valuable insights from your peers.
- Positioning your company spokespeople as thought leaders.

### Temenos Ambassador Program reference activities options

The Temenos Ambassador Program provides many flexible opportunities for your company to gain visibility and recognition by sharing your achievements with peers, industry analysts or the press:

- Site visits or one-to-one phone discussions: host a site visit or hold a telephone conversation with a Temenos customer or prospective client and share your achievements and best practices with the use of Temenos solutions. The call or meeting is organised through your Temenos account manager.
- Case studies: participate in a case study to describe how your organisation overcame business and technology challenges and the benefits gained by joining forces with Temenos.
- Speaking engagements: share your success story at an event.
- Participate in the Temenos CEO Navigator survey and receive an audit report.
- Press and analyst activities: showcase your company's success by participating in an interview with the press or talk to industry analysts and gain insightful information on industry trends.

- Customer quotes: give a quote focused on your success with Temenos solutions for publication in marketing collateral and / or our company website.

Select the activities you want to engage in according to your availability and corporate policy. We seek your permission prior to any reference activity to reconfirm your agreement to participate. For any reference piece, you review and approve the messages related to your company before it is published.
