

## PRODUCT SPECIFIC TERMS (SOFTWARE LICENSE OFFERINGS)

The following additional Product Specific Terms will apply to the extent that the relevant Product, component module or capability is specified in the applicable Order Form or if the Product, component module or capability is included in the Temenos Offering and used by the Client, as specified in the applicable Documentation. These Product Specific Terms form part of the Agreement between Temenos and the Client and are Uniform Terms. Temenos may update or modify these Product Specific Terms from time to time by posting a revised version on the Temenos URL at <https://www.temenos.com/legalcenter/> or any other website notified by Temenos to the Client from time to time. The version of these Product Specific Terms that are valid at the time you enter into your Order Form are incorporated into the Agreement. Any capitalized terms have the meaning set out in the Agreement unless otherwise defined below.

	<p>available on an 'as-is' basis with no warranties of any kind. Temenos does not provide Support Services for the Temenos Digital User Interfaces or for Client Applications, except that Temenos may enhance Temenos Digital User Interfaces with new features and functions in software releases that it makes generally available. For the avoidance of doubt, Temenos does provide Support Services as set forth in the Support Policy for the underlying Temenos platform software elements including Fabric apps, original APIs, microservices, Spotlight and Assist.</p> <p>2.5 Temenos shall not be liable for any losses or damages arising from the misconfiguration or mismanagement of Client Applications by the Client, the Client Users or the End Users.</p> <p><b>3. Digital Platform (also known as Quantum and including Visualizer/Fabric)</b></p> <p>3.1 The Digital Platform may not be used to build applications other than Client Applications based on the licensed Temenos Digital User Interfaces unless the Client has expressly purchased the rights to use the Digital Platform for additional application development and subject to payment of the applicable fees for such development rights.</p> <p>3.2 The Digital Platform product lifecycle is subject to the product lifecycle policy available at <a href="#">Quantum lifecycle policy</a> (or any other website notified by Temenos to the Client from time to time). Temenos may end support for old releases and specific features in accordance with the end of life policy and release notes or notices published on such website. Such notice is in place of any end of life notice obligations set forth in the Software License Offering Schedule.</p> <p><b>4. Support for Mobile Device OS updates (iOS/Android)</b></p> <p>4.1 Temenos will use commercially reasonable efforts to provide updates of the Digital Platform to function with new releases of currently supported mobile device manufacturer's Operating Systems ("OS") as per the timelines below:</p> <p>(a) New releases of currently supported manufacturer's OS or software development kit ("SDK") - within thirty (30) business days from General Availability ("GA") release by the manufacturer to the developer community or the next GA release of the Digital Platform, whichever is later. The Client must update new GA plugins made available by Temenos to: a) take advantage of the new features or enhancements in the Digital Platform current feature set; and b) overcome any backward compatibility issues with the newer versions (major, minor) of currently supported OSs or SDKs. New GA plug-ins may require testing to ensure the Client Application is optimized on/for the new OSs and SDK. In case there are any backward compatibility issues identified by Temenos on the new platform GA version, this will be communicated through release notes and necessary build scripts will be provided with the platform plug-in, where applicable.</p> <p>(b) New versions of currently supported mobile browsers or new form factors for devices using the currently supported OS and mobile browser - within thirty (30) business days from GA release by the manufacturer to the developer community or next GA release of Digital Platform, whichever is later. The Client must implement new GA plug-ins to take advantage of the new releases of currently supported browsers or new form factors. New GA plugins may require testing to ensure the Client mobile application is optimized on/for the new browser. In case there are any backward compatibility issues identified by Temenos on a new platform GA version, they will be communicated through release notes and necessary build scripts provided with the platform plug-in, where applicable.</p> <p>(c) Temenos will use commercially reasonable efforts to provide updates to the Digital Platform in a new GA release, to function with net new OS within ninety (90) business days from GA release of the new OS to the developer community, subject to Temenos' determination that the net new OS is commercially viable to support. Net new OS GA releases are assumed to ensure forward compatibility, in the sense that mobile applications developed on previous versions of OS are fully compatible with the new OS and not necessarily supporting the new features released with the new OS. Clients must implement new GA plugins to overcome any backward compatibility issues with the new OS versions or take advantage</p>

In case there are any backward compatibility issues identified by Temenos with the new platform GA version, they will be communicated through release notes and necessary build scripts will be provided with the platform plugin, where applicable. Temenos reserves the right to support new OS / browsers / devices at its sole discretion.</p> <p><b>5. HID Integration</b></p> <p>The Digital Platform includes a pre-integrated HID authentication integration (“<b>HID Integration</b>”) which enables the Client to build Client Applications that are integrated with authentication products and services provided by HID Global Corporation and its affiliates (“<b>HID</b>”). The HID Integration is a Third-Party Component provided by HID. If Client uses the HID Integration whether to integrate with any HID product or service or otherwise, such use of the HID Integration is governed solely by Client’s contract with HID for the applicable HID product or service.</p>

Onboarding Analytics / Journey Analytics</b></p> <p>6.1 For the purpose of these Product Specific Terms:</p> <p>“<b>Onboarding Application</b>” means an electronic application form created and/or used with the Temenos Software with capabilities beyond those of a traditional paper form, such as electronic completion, dynamic sections, database calls, and electronic submission.</p> <p>“<b>Anonymous Metadata</b>” means data relating to the completion of Onboarding Application by Client’s End Users which, at the time of collection and onward, does not relate to any individual who is identified or reasonably identifiable from the data.</p> <p>“<b>End User</b>” means a person who is a potential or actual customer of the Client, whom the Client allows, as applicable, to: (i) use the Onboarding Applications; and/or (ii) remotely access the Temenos Software: in both cases in the course of the Client supplying or offering to supply its products, goods or services to such person.</p> <p>6.2 The Temenos Software may include the ability to generate Anonymous Metadata and, if so, Temenos may collect and use the Anonymous Metadata for the purposes of analytics (including Onboarding Application completion metrics and trends), market and client demographic analysis, for the purposes of performing obligations or exercising rights under the Agreement, and other purposes as Temenos may determine from time to time. Temenos shall own all right, title, and interest in and to the Anonymous Metadata, and Client shall have a limited, non-exclusive, royalty-free, non-transferable, worldwide license to view and use the Anonymous Metadata for its internal business purposes for the Term.</p> <p>6.3 Temenos may discontinue the analytics feature and in such event will provide advance written notice to the Client of its plans to do so.</p>
<p><b>Journey Manager</b></p>	<p><b>7. Journey Manager Platform</b></p> <p>7.1 For the purpose of these Product Specific Terms:</p> <p>“<b>Journey Application</b>” means an application or form developed by or on behalf of Client using the Journey Manager platform software.</p> <p>7.2 Temenos may provide templates as part of the Journey Manager platform form authoring tools and/or ‘Springboard solutions’. These are provided as accelerators/templates for Client to create its own Journey Applications. Temenos does not provide Support Services for Client’s Journey Applications.</p> <p>7.3 The Journey Manager platform software is subject to the product lifecycle policy available at <a href="#">Journey Manager lifecycle policy</a> (or any other website notified by Temenos to the Client from</p>

Temenos User Agents and Temenos Explorer</b></p> <p>8.1 Temenos User Agents built on the Temenos Explorer framework are provided for use with the Temenos Software only. The Client may customize Temenos User Agents provided that Temenos does not provide support for any modifications or derivative works based on Temenos Explorer Framework or Temenos User Agents. The Client is solely responsible for adequately testing its customizations.</p> <p>8.2 The Unified User Experience (“UUX”) chart component included in Temenos Explorer uses the HighCharts library, which is proprietary software of Highsoft AS. UUX charts included in a Temenos User Agent may be used only in the form originally provided by Temenos. The Client shall not alter any UUX charts included in a Temenos User Agent or create new charts without first purchasing a separate license from Highsoft AS. Please refer to the Temenos Explorer Framework and UUX documentation at <a href="https://developer.temenos.com">https://developer.temenos.com</a> for further details.</p> <p>8.3 With respect to any and all claims and damages of any kind or nature arising or related to the HighCharts library, in no event will Temenos or its affiliates be liable for any damages in excess of the pro rata portion of the annual subscription fees (or the license fee if applicable) attributable to the HighCharts library.</p>

	<p>BAM OE Software may contain third party code licensed under separate agreements identified in the LI or the Notice Files.</p> <p>9.3 The BAM OE Software is provided as an embedded module together with the Temenos Digital Originations software and may only be used as part of and in conjunction with the Temenos Digital Originations software as permitted under the Agreement and these Product Specific Terms and not in a standalone fashion or with data not generated by the Temenos Digital Originations software supplied by Temenos.</p> <p>9.4 Temenos agrees to provide Support Services for the BAM OE Software, subject to payment by the Client to Temenos of the Annual Support Fees or Subscription Fees (as applicable) due under the Agreement, provided that Support Services for the BAM OE Software are subject to IBM's support policy and service levels and to use of the BAM OE Software on the hardware and platform configurations supported by IBM, as set out in its product documentation at <a href="https://www.ibm.com/docs/en/ibamoe">https://www.ibm.com/docs/en/ibamoe</a> or in successor product documentation of IBM. The Temenos Service Desk will act as the administration point, responsible for escalating the service call and coordinating any response and the Client is not entitled to access Support Services directly from IBM. The Client agrees to contact only Temenos for support even if the product documentation or LI for the BAM OE Software directs end users to contact IBM. The Client acknowledges and agrees that it remains responsible for first line technical support in relation to the BAM OE Software.</p> <p>9.5 Support is subject to IBM's support policies in effect at the time the services are provided including but not limited to the life cycle policies at <a href="#">IBM support lifecycle</a> . The IBM support policies and service levels are subject to change at IBM's discretion. The Client may also access the current version of the technical support policies, service levels and information on supported configurations at <a href="https://www.temenos.com/legal-information/third-party-component-third-party-licensors-support-policies/">https://www.temenos.com/legal-information/third-party-component-third-party-licensors-support-policies/</a></p> <p>9.6 No third party claims or indemnification provisions of the Agreement shall apply to the BAM OE Software and the following shall apply: if a third party asserts a claim against the Client that the BAM OE software infringes that party's patent or copyright Temenos will defend the Client against such claim and as the Client's sole and exclusive remedy in connection with such claim pay all costs, damages and reasonable attorney's fees that a court finally awards against the Client or are included in a settlement approved by Temenos, provided that: (i) the Client promptly provides Temenos with written notice of the claim; (ii) allows Temenos to control and cooperates with Temenos in defense of the claim and settlement negotiations; and (iii) remains in compliance with the Agreement.</p> <p>9.7 Temenos will have no obligation regarding any claim under section 6.6 of these Product Specific Terms based on: (i) third party code including Open Source Code; (ii) use other than in accordance with the Agreement and these Product Specific Terms; (iii) use of a non-current version or release of BAM OE Software to the extent a claim could have been avoided by using the current release or version provided by Temenos; (iv) the Client's modification of the BAM OE Software; (v) use with any other program, product, hardware device, program, data, apparatus, method or process other than the Temenos Digital Originations Software; or (vi) breach of the Agreement or these Product Specific Terms.</p> <p>9.8 If such a claim under section 6.6 of these Product Specific Terms is made or appears likely to be made, the Client agrees to permit Temenos or its third party suppliers to either modify it, replace it with a component that is at least functionality equivalent or obtain the necessary rights for the Client to continue to exercise the license under the Agreement. If Temenos determines that none of these alternatives are reasonably available then on Temenos written request, the Client agrees to cease use and promptly return or destroy the BAM OE software in Client's possession.</p> <p>9.9 Temenos represents and warrants that it will provide the Support Services for the BAM OE Software in a professional and workmanlike manner. Temenos may also share business contact details if necessary for performance of the Support Services.</p> <p>9.11 Nothing in the Agreement and in particular within section 9.12 of these Product Specific Terms shall exclude or limit liability: (i) for fraud; or (ii) that is not permissible under applicable law.</p> <p>9.12 Neither Party or any third party suppliers of the BAM OE Software shall have any liability in connection with its obligations in connection with the BAM OE Software under this Agreement or at common law, whether in tort or in contract and even if it has been advised of the possibility of such damages, for: special, indirect, consequential, incidental damages, damages (whether direct or indirect) for business interruption, loss of goodwill, loss of revenue, loss of data, loss of data use, loss of profits or loss of opportunity. Each Party’s liability and any third party supplier’s liability for all claims arising out of causes of action (whether in contract, tort or otherwise) under the Agreement for or in connection with the BAM OE Software shall not exceed the amount of any actual direct damages up to fifty thousand US dollars (\$50,000). This limitation of liability shall not apply to (i) any amounts due to Temenos under the Agreement, (ii) to any claim based on breach of confidentiality, (iii) to any claim based on infringement by the Client of Temenos or its third party supplier’s intellectual property rights, or (iv) to any other liability that cannot be excluded or limited under applicable law.</p> <p>9.13 The terms set forth in this section 9 of these Product Specific Terms shall supersede and prevail over any conflicting terms of the Enterprise Terms and the Software License Offering Schedule with respect to the BAM OE Software.</p> <p>9.14 This section 9 of the Product Specific Terms may be modified in respect of updated versions or future releases of the Temenos Software and the modifications shall apply from when Client uses such updated version or future release of the Temenos Software.</p> <p>9.15 Upon reasonable notice, Temenos may provide a substitute component to the BAM OE Software with equivalent or substantially similar functionality to the original BAM OE Software. The terms and conditions relating to such substitute component shall be provided to the Client in advance and such terms and conditions for the new components shall not materially reduce the scope of the license and rights granted to the Client.</p> <p>9.16 If the on-going provision of the license and the Support Services of the BAM OE Software is no longer possible on commercially reasonable terms to Temenos and the Client refuses to accept the provision of a component with equivalent or substantially similar functionality, Temenos may discontinue and terminate the license Support Services under this Agreement with respect to the BAM OE Software and shall refund to the Client any prepaid unused fees paid to Temenos in respect of the BAM OE Software.</p> <p>9.17 The Client will comply with applicable import, export and economic sanctions laws, orders, regulations and policies including those of the United States that prohibit or limit export, re-export, transfer of products, technology services or data directly or indirectly to or for certain countries, end uses or end users.</p> <p>9.18 During the term of the Agreement and for a period of two (2) years thereafter, the Client agrees to maintain, and provide, upon Temenos request, to Temenos or its designated third-party adequate records, system tools output, and access to the Client premises as reasonably necessary for Temenos to verify the Client’s compliance with the Agreement and these Product Specific Terms. Upon reasonable notice, the Client agrees to permit Temenos or its designated third-party, provided it is bound by a confidentiality agreement, to conduct an audit of the Client’s records (not to exceed one time per calendar year) to ensure that the Client is in compliance</p>

TLC Online	<p><b>16. TLC Online Training Subscriptions</b></p> <p>16.1 For the purpose of these Product Specific Terms:</p> <p>“<b>Authorized Users</b>” means the employees and consultants of the Client who are authorized to use the TLC Online Services.</p> <p>“<b>TLC Online Services</b>” means the Temenos Learning Community online training services provided by Temenos to the Client via <a href="https://tlc.temenos.com">https://tlc.temenos.com</a>, or any other website notified by Temenos to the Client from time to time, including access to self-paced digital courses and sandbox environments, participation in exams and access to Training Buzz. For the avoidance of doubt, “TLC Online” does not constitute licensed on-premises Temenos Software; rather, it refers to a subscription, for the Client’s specified number of users, to access and use Temenos hosted “TLC Online” learning platform services. As such, the definition of and references to “Temenos Software” in the Enterprise Terms are not applicable to the TLC Online Services and the Software Offering Schedule is also not applicable.</p> <p>“<b>TLC Terms of Use</b>” means the terms of use of the TLC Online Services as set out at <a href="https://tlc.temenos.com">https://tlc.temenos.com</a></p> <p>“<b>TrainingBuzz</b>” means a third party functionality made available through the TLC Online Services, which the Authorized Users can access to ask questions and receive clarifications in relation to the training courses provided by Temenos as part of the TLC Online Services. TrainingBuzz is a benefit provided to the Authorized Users free of charge.</p> <p>“<b>User Subscriptions</b>” means the user subscriptions for a duration of a twelve (12) month period purchased by the Client which entitle Authorized Users to access and use the TLC Online Services in accordance with the Agreement and the TLC Terms of Use.</p> <p>16.2 Subject to the Enterprise Terms, these Product Specific Terms and the TLC Terms of Use, Temenos shall make available the TLC Online Services for the number of User Subscriptions set out in an Order Form.</p> <p>16.3 The Client shall ensure that only Authorized Users are permitted to access and use the User Subscriptions and that:</p> <ul style="list-style-type: none"> <li>(a) the number of Authorized Users shall not exceed the number of User Subscriptions purchased; and</li> <li>(b) the Client will not allow or permit any User Subscription to be used by more than one individual Authorized User or transferred to another Authorized User.</li> </ul> <p>16.4 The Client may purchase additional User Subscriptions during a Subscription Term by entering into a new Order Form.</p> <p>16.5 The use of the TLC Online Services is subject to the TLC Terms of Use and to payment of applicable fees by the Client in accordance with the Order Form and the Enterprise Terms. To the extent that the terms and conditions of these Product Specific Terms conflict with the TLC Terms of Use, the terms of these Product Specific Terms shall prevail.</p> <p>16.6 The Client shall comply with the TLC Terms of Use and is responsible for Authorized Users’ compliance with the Agreement and the TLC Terms of Use.</p> <p>16.7 The content and materials accessed via the TLC Online Services are for the internal business purposes of learning and development of the Client’s personnel. The Client does not have any rights to download, print, reproduce or otherwise distribute any of the Temenos content accessible via the TLC Online Services and the Client may not use the TLC Online Services for commercial purposes. Notwithstanding the above, the Client shall have the rights to download and use specific training materials made available by Temenos through TLC Online Services for personal training purposes only and no other rights are granted. Such materials are made available on an as-is basis only with no warranties of any kind, express or implied. The Client must not make any changes to any content or materials accessed or downloaded via the TLC Online Services except for such content uploaded by the Client or its Authorized Users. Nothing in an Agreement shall be construed as transferring, assigning or otherwise conveying any ownership or beneficial right in any content and materials accessible or downloadable via the TLC Online Services to the Client.</p>
